

FAQ'S

What are K.B Pro Brows?

It's the most popular form of permanent cosmetics whereby individual hair strokes are created in the brows by implanting high-quality pigments using specialist tools. These natural-looking hair strokes are so fine, they mimic real hairs perfectly for ultra-realistic, beautifully defined brows.

Who can perform a K.B Pro Brows treatment?

Only qualified permanent cosmetics artists, rigorously trained at a K.B Pro Academy, are qualified to perform these treatments.

Does it hurt?

You may experience some mild discomfort but most clients say it doesn't hurt. We will make you feel as comfortable as possible during the treatment.

How long does it last?

Treatments last for around 12-18 months but attend your annual colour boost appointment to make sure your brows stay looking fresh.

Why have a K.B Pro Brows treatment?

Having natural-looking permanent brows will save you time every single day. Enjoy smudge proof, sweat proof brows without the effort.
