

Forrester's Beauty Salon Safety Procedures

Health & Hygiene

Please avoid touching surfaces unnecessarily and maintain social distancing guidelines.

Before entering the salon please use the hand sanitiser provided. Please keep all personal items in your handbag and do not place on any salon surface area.

We are cleaning all surfaces, handles, chairs, tools and equipment regularly and allowing 15 mins between clients to clean the treatment rooms thoroughly.

Therapists will wear gloves, an apron, face mask or visor during treatments. We will ask clients to attend appointments wearing a mask also.

We will have doors and windows open to increase fresh air and ventilation to the salon.

Reception & Waiting Area

Please arrive at your designated appointment time and attend appointments alone. No-one else will be allowed in the treatment room with you and there will be no waiting area.

At this moment in time young children are not permitted in the salon.

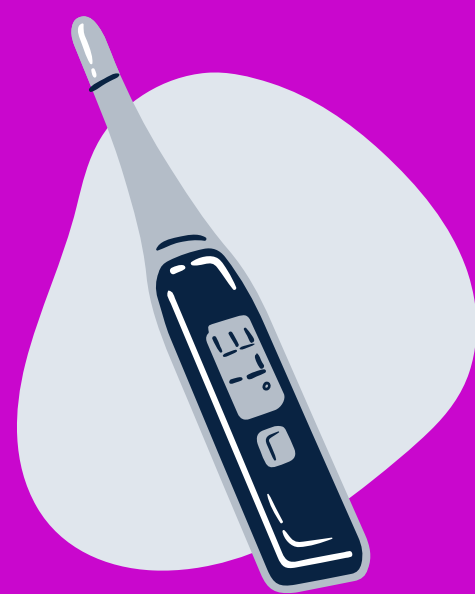

Testers & magazines have been removed from the waiting area.

No hot drinks will be available during your treatment.

Stay home if...

- You are feeling unwell
- You have a sick family member at home
- You or anyone you live with have recently travelled abroad
- We will re-book your appointment after the recommended quarantine period.

Appointments & Payment

We are currently operating on an appointment only basis.

We are not offering any facial services, including electrolysis or facial waxing, or lash services, including tinting, lifting and extensions.

Please rebook and pay and then exit the salon immediately to avoid too many people in reception area.

Contactless payment preferred where possible.
